## **CHESS EXHIBITION: GM Pascal Charbonneau and IM Irina Krush**

The Canadian Champion and one of the top female chess players in the world don't come to town every day. On June 10, 2006, you will have an opportunity to take part in several chess events with some famous chess players.

University of British Columbia, Student Union Building, Student Council Chamber (second floor)

### **9:00 am: IM Krush simultaneous exhibition**

IM Irina Krush will simultaneously play all challengers. This event is open to all players.

### **2:00 pm: GM Charbonneau simultaneous exhibition**

Canadian Champion GM Pascal Charbonneau will simultaneously play all challengers. This event is open to all players.

### **7:00 pm: Pairs exhibition match (spectators welcome)**

GM Charbonneau, IM Krush, B.C. Champion Jack Yoos, and the player who scores the most points in the two simultaneous exhibitions (a blitz playoff to resolve a tie) will play three 30-minute Pairs exhibition games, rotating partners each game. In each game, in both events, one player makes the first move for White, then the players alternate, each making two moves in a row. Partners may not talk about the game while playing or otherwise give hints or advice to their partner. They may tell their partner to move ("It's your move.") and tell them to move quickly ("Hurry up, we have 20 seconds left!!"). Profanity and physical violence is not allowed except under extreme circumstances.

### **Simultaneous exhibition rules:**

1. No clocks: participants must move when the simul-giver arrives at their board. Each participant gets three passes.
2. Participants may play more than one game, subject to the following restrictions:
  - a. A new game may not be started more than one hour after the simultaneous exhibition starts.

- b. Each game played must be at least 10 moves long.
3. Colours in the first game are by lot: participants may play either White or Black. If additional games are played, switch colours.

Information and pre-registration: Andrei Botez,  
[bccf.tournament.coordinator@gmail.com](mailto:bccf.tournament.coordinator@gmail.com)

Entry fee: \$20 per simul; \$30 for both simul; no charge for the Pairs match.  
Juniors and seniors receive a 50% discount.

Number of games: Unlimited, provided no game starts more than one hour after the simultaneous exhibition starts.

Deadline for Registration: Registration is permitted up to one hour after each simultaneous exhibition begins, but pre-registration is encouraged, as the number of participants in each simultaneous exhibition is limited.

Equipment: Boards and sets will be provided.

## **B.C.C.F. AGM**

As you are aware, the annual Keres Memorial Tournament is just over a week away (still plenty of time to enter if you have not already done so!). On the Saturday morning of that weekend the BCCF Annual General Meeting will be held at the site, beginning at 9 am. We encourage you to come out and attend the AGM: the executive for the coming year will be elected, and there will also be opportunity to voice concerns, comments, and ideas about how organized chess is run in B.C. The B.C.C.F. is your federation - it is only as strong as those involved in it, your help is needed!

B.C.C.F. AGM, 9 am, Hungarian Cultural Centre (728 Kingsway, Vancouver)

## **2006 CANADIAN ZONAL CHAMPIONSHIP**

This year's Canadian Championship will be held in Toronto at the end of August (see the event website for details:

<http://www.chessontario.com/tournaments/BelzbergInvitational-2006.htm>). The tournament is open to any player rated above 2200 at the time of entry, but each Province may also designate three entrants who are rated below 2200.

If you are interested in one of these designated spots please let the BCCF know by e-mailing Stephen Wright at [swright2@telus.net](mailto:swright2@telus.net). The Keres will act as a qualifier - if you are unable to attend the Keres, you should still let us know you are interested.

**Ten Years Ago:**

Georgi Orlov took top honours in the 21st Keres Memorial with 5/6; he has since achieved a record-breaking total of six first-place finishes. B.C. Champion Yan Teplitsky came second a half-point back, while six(!) players tied for third: Juri Vetemaa, Jonathan Berry, Viktors Pupols, Valerian Adam, Jim Ferguson, and John Hallam. The Keres was going through a bad patch: an all-time low of sixty-nine players participated at the Vancouver Bridge Centre.
